Foundations of Math 10 and Pre-calculus

Chapter 6: Linear Relations & Functions

Instructions for Homework:

❑ Clearly write your name, class block, and date at the top of your paper.

❑ Title your page with the textbook section and page #.

❑ Begin each problem by writing the problem # and copying the question.

❑ Show all your work clearly. Answers alone will receive no credit.

❑ Check your own answers in the back of the book with a coloured pen.

❑ Correct all wrong answers beside your original work. Ask in class or during morning or afternoon extra help times if you need help correcting your own work.
